Iris red. Bill black. Feet and claws purplish brown.

Iris dark brown. Bill, feet, and claws black.

Bill all red. Mated with No. 22103.

Bill red, purplish black at base of maxilla. Mated with No. 22102.

Iris brown. Eye-rim red. Bill all purplish red. Feet and claws brownish orange.

Iris brown. Bill paler purplish red than the above male, and with a dusky tip to the maxilla. Feet and claws brownish flesh color.

Iris orange. Bill and claws olivaceous-black. Cere and naked are surrounding eye slaty black.

Mated with No. 22110 and killed by the same shot. Iris orange-red. Bill plumbeous-black. Naked area surrounding eye gray mixed with vinaceous. Feet vinaceous; claws vinaceous at base, grayish brown at end.

Mated with No. 22109. Colors of soft parts the same.

Iris rich brown. Naked skin surrounding eye greenish yellow. Toes and

naked back of tarsus yellow; claws fleshy brown.

Young male! Bill dusky brown, with slight horn-colored tip, and base shading to yellowish.

Iris hazel. Bill and feet orange. Naked are surrounding eye orange-yellow; claws brown.

Parent of Nos. 22118-9. Iris reddish brown. Bill entirely black. Feet and claws brown.

Progeny of No. 22117. Iris brown. Bill black, yellow at angle of mouth. Feet and claws

darker brown than in adult (No. 22117).

Iris dark brown. Bill dusky olive above, flesh color below. Feet pale grayish brown; claws light brown.

Iris brown. Bill olive-brown above, flesh color below. Feet and claws fleshy brown.

Iris orange-red. Bill red with a dark brown spot at base of maxilla. Feet and claws grayish brown.

Iris light yellow. Bill, feet, and claws black.

Iris brown. Bill brownish black. Feet and claws blackish. Upper edge of nostril, naked sides of face, chin and upper throat red; lower throat yellow.

These have a little more red on throat than those from the Abaya lakes.

Mated with No. 22128 and killed by the same shot.

Bill red, lower half of mandible black.

Mated with No. 22127 and killed by the same shot.

Bill vinaceous-red all round, dusky at tip, and yellowish at base.
